## LOOK AT THIS ONE!

GRAND CHAMPION BABY BEEF AT THE FAMOUS  
CALGARY SPRING SHOW & SALE, MARCH, 1948

### DALROY CASHIER

There was only one roan calf from Fairnington Cashier in his first crop of calves. We "steered" him and then fitted him for the Calgary Spring Show and Sale in the Baby Beef division.

HE WAS GRAND CHAMPION OVER ALL OTHER BREEDS IN THE TOUGHEST OF COMPETITION.

He won the Birks & Sons Ltd. silver shield, the Dam Thornton (Gunnison Colo.) special for the best baby beef in the show, the special donated by the Canadian Shorthorn Association, and the special donated by the Alberta Shorthorn Association.

The judge, Professor Hector McDonald, described him as the "ideal type." He then sold for the highest price in the baby beef division, topping all other prize-winners by a wide margin, of more than 30 cents per pound.

**This is the quality of Shorthorns that we are offering at our sale.**

E. J. CAMMAERT, Rockyford, Alta.

## FOREWORD

I have been asked to comment on the Cattle that will be sold by Mr. Emile Cammaert at his Farm near Rockyford on Wednesday, March 7th, 1951.

I think I can say without reservation that as to quality and breeding the offering is one of the best that will be sold by auction in Western Canada in 1951.

Take for example the one Imported Bull—The Cluny-bred bull has lots of scale; his full brother sold at Perth Sale, 1949, for 3,500 guineas. A number of the above sire's offspring will be offered. The younger bulls are nearly all ready for service, and are mostly by Fairnington Cashier (imp.), whose Dam is said by many to be one of the best cows in Scotland.

The female offering is also good. They are thick and low set, and all good colors, with lots of bone and good heads.

Quite a number of them are by Fairnington Cashier (imp.)—others are by Klaymor Freebooter, considered the best breeding bull in Ontario.

I have personally seen the entire offering—with the exception of the newly imported heifers—and have no hesitation in recommending same to prospective buyers.

J. W. DURNO.

The Shorthorn fraternity can feel justly proud at having one of its members named as a Master Farmer in Alberta during the past year.

Rockyford Stock and Grain Farm, owned and operated by Emile Cammaert and his fine family near Rockyford, Alberta, has become well and widely known in recent years, and the thoroughness with which the Cammaerts have operated this farm has gained them this great honour.

Shorthorns became one of the main parts of their farming operations about eight years ago and have contributed no small amount to the success they have attained. The original animals were chosen wisely for good type and pedigree and those bred and added to the herd from time to time have brought the herd to the position where it is one of the better known herds of the West today.

The same energy was injected into the cattle breeding as in other branches of the farming business and many top honours have been won by Shorthorns carrying the Rockyford prefix. Few herds of any breed have been exhibited to better advantage and only as recent as 1950 this herd was the largest money-winner at the Calgary Exhibition and Stampede.

The health of this herd has always been excellent; females have been regular breeders and the animals offered in this sale are Shorthorns that will assist other herds to strengthen or lay foundation for a new herd.

E. R. HENDERSON.
